## Dashboard Module

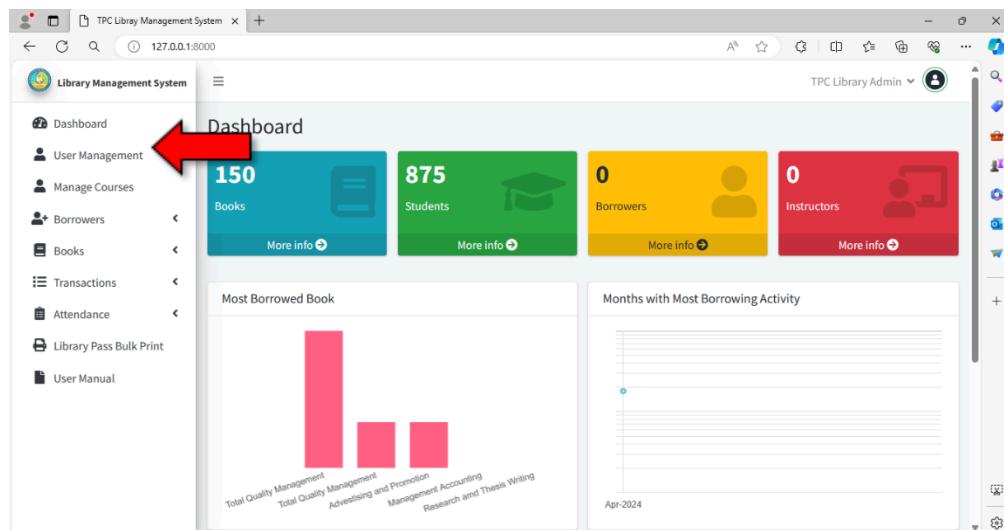

This is the landing page of the system. You will see the current number of books, students, borrowers and instructors. You can also monitor the activities by checking the analytics.

The screenshot shows the TPC Library Management System dashboard. On the left, a sidebar menu lists various modules: Dashboard, User Management, Manage Courses, Borrowers, Books, Transactions, Attendance, Library Pass Bulk Print, and User Manual. A red arrow points to the 'User Management' link. The main dashboard area displays four key statistics in colored boxes: 150 Books (blue), 875 Students (green), 0 Borrowers (yellow), and 0 Instructors (red). Below these are two charts: 'Most Borrowed Book' (a bar chart showing 'Total Quality Management' as the most borrowed book) and 'Months with Most Borrowing Activity' (a line chart showing activity in April 2024).

## User Management Module

This is the section where the Librarian create a New User Account.

This screenshot is identical to the one above, showing the TPC Library Management System dashboard. A red arrow points to the 'User Management' link in the sidebar. The main dashboard area displays the same four key statistics and two charts as the previous screenshot.

## User Management Page

The screenshot shows the 'User' management page of the TPC Library Management System. On the left, a sidebar menu includes options like Dashboard, User Management, Manage Courses, Borrowers, Books, Transactions, Attendance, Library Pass Bulk Print, and User Manual. The main content area is titled 'User' and displays a table with one entry:

ID	Name	Position	Username
1	TPC Library Admin	Administrator	tpclibadmin@2023

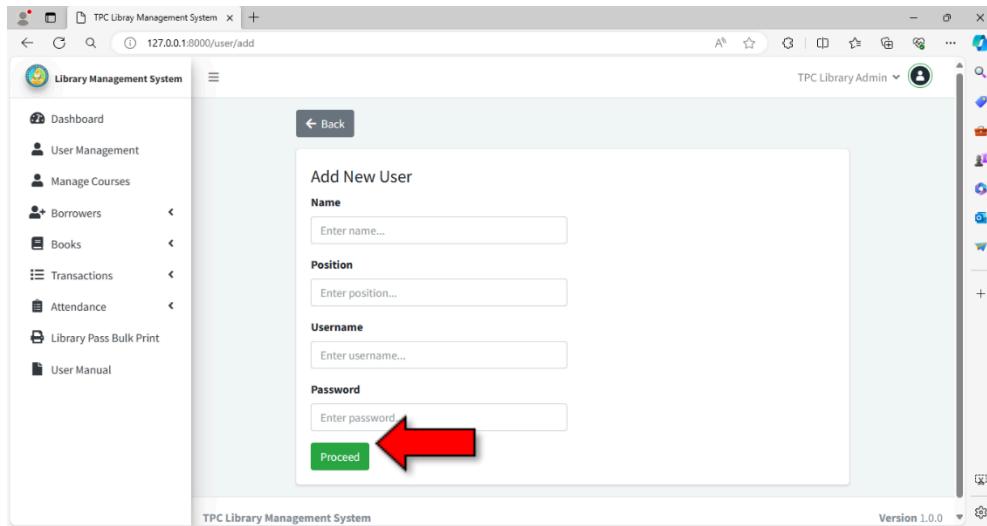

Below the table, it says 'Showing 1 to 1 of 1 entries'. At the top right, there is a green button labeled '+ Add New User'.

## Add New User

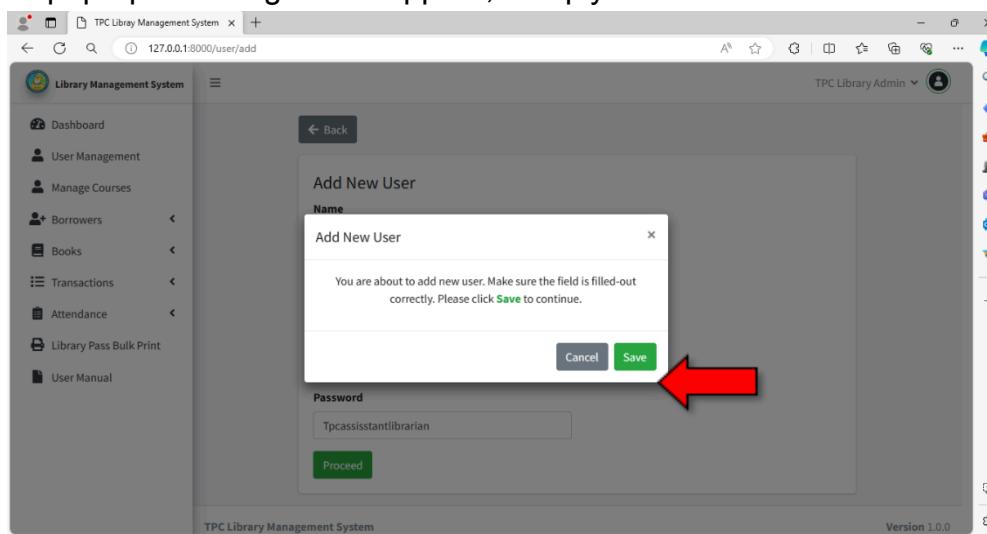

To add a new user, just simply click the 'Add New User' button.

This screenshot is identical to the previous one, showing the 'User' management page. However, a large red arrow points to the green '+ Add New User' button located at the top right of the main content area.

After clicking, you will be redirected to the ‘Add New User’ form. Please ensure to fill out all the fields correctly and after you have completed filling out the form, click ‘Proceed’ to continue.

A pop-up message will appear; simply click ‘Save’ to add the new user.

If the new user was added successfully, there will be a success toast message appear.

A screenshot of a web browser window titled "TPC Library Management System". The URL is "127.0.0.1:8000/user". The page displays a table of users with columns: ID, Name, Position, and Username. Two entries are shown: "1 TPC Library Admin Administrator tpclibadmin@2023" and "7 TPC Assistant Librarian Admin Assistant tpclibassistant@2023". At the top right, there is a green success toast message box with a checkmark icon and the text "New user was added successfully!". A red arrow points from the text above to this toast message. On the left side, a sidebar menu lists various management options like Dashboard, User Management, Manage Courses, Borrowers, Books, Transactions, Attendance, Library Pass Bulk Print, and User Manual. On the right side, there are system status icons and a "Version 1.0.0" link.

## Search User

If you want to search a user, simply click the 'Search Bar' in the upper right

A screenshot of the same web browser window as the previous one, now showing a search result. The URL is "127.0.0.1:8000/user". The search bar at the top right contains the text "TPC Library Admin". A red arrow points from the text "If you want to search a user, simply click the 'Search Bar'" to the search bar. The rest of the interface is identical to the first screenshot, showing the user table and sidebar.

## Edit User

To edit a user, please click the 'Pencil Icon'.

The screenshot shows the 'User' management page of the TPC Library Management System. On the left is a sidebar with links like Dashboard, User Management, Manage Courses, Borrowers, Books, Transactions, Attendance, Library Pass Bulk Print, and User Manual. The main area has a title 'User' and a green button '+ Add New User'. Below is a table with columns ID, Name, Position, and Username. A single row is shown: ID 1, Name 'TPC Library Admin', Position 'Administrator', and Username 'tpclibadmin@2023'. To the right of the table are 'Edit' and 'Delete' buttons. A red arrow points to the 'Edit' button. At the bottom are buttons for 'Previous', '1', and 'Next'.

You will be redirected to the Edit User form. After editing, simply click 'Update' to save the changes and continue.

The screenshot shows the 'Edit User' form. It has fields for Name ('TPC Library Admin'), Position ('Administrator'), Username ('tpclibadmin@2023'), and Password ('\*\*\*\*\*'). A red arrow points to the 'Update' button at the bottom of the form.

If the user was updated successfully, there will be a success toast message appear.

<input type="checkbox"/>	305	Total Quality	Evans James R.,	2016			5 / 5	No

To select a book, just put a 'Check' in the check box and scroll down.

The screenshot shows the 'Borrower's Form' page of the TPC Library Management System. The sidebar on the left includes links for Dashboard, User Management, Manage Courses, Borrowers (with a red arrow pointing to it), Books, Transactions, Attendance (with a red arrow pointing to it), Library Pass Bulk Print, and User Manual. The main content area displays a table titled 'Select Book' with columns for ID, Book Title, Author, Year Published, Volume, Edition, Copies, and Borrowed. Several entries for 'Total Quality Management' by Evans James R., Lindsay, William M. are listed, with the first entry checked.

## Borrower's Search

If you want to search a instructor to borrow, just click the 'Search Bar' in the upper right side.

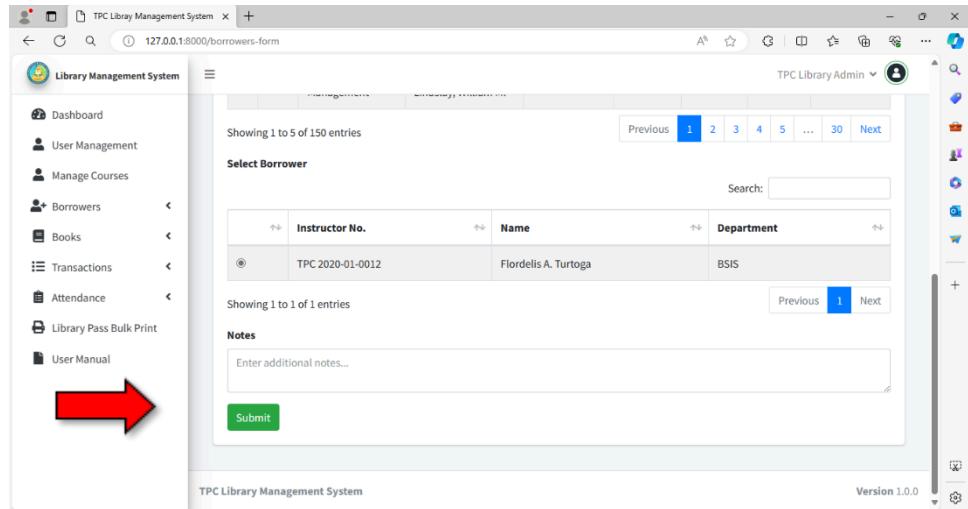

The screenshot shows the 'Select Borrower' page. The sidebar on the left includes links for Dashboard, User Management, Manage Courses, Borrowers, Books, Transactions, Attendance, Library Pass Bulk Print, and User Manual. The main content area shows a table with columns for Instructor No., Name, and Department. One entry is selected: 'TPC 2020-01-0012' (Flordelis A. Tortuga) from the BSIS department. Below the table, there is a notes section with a text input field and a 'Submit' button. Navigation buttons for previous and next pages are also visible.

To select a borrower, just put a ‘Dot’ in the circle box and fill-out the notes if needed.

The screenshot shows the 'Borrowers' form in the TPC Library Management System. The sidebar menu includes 'Dashboard', 'User Management', 'Manage Courses', 'Borrowers' (which has a red arrow pointing to it), 'Books', 'Transactions', 'Attendance', 'Library Pass Bulk Print', and 'User Manual'. The main content area displays a table titled 'Select Borrower' with columns 'Instructor No.', 'Name', and 'Department'. One entry is shown: 'TPC 2020-01-0012' (Flordelis A. Turtoga) from the BSIS department. Below the table is a 'Notes' section with a text input field and a 'Submit' button. Navigation buttons for 'Previous' and 'Next' are also present.

If you are done filling-up the instructor's form, just click 'Submit' button.

This screenshot is identical to the previous one, showing the 'Borrowers' form. The red arrow now points to the green 'Submit' button located at the bottom of the 'Notes' section. The rest of the interface, including the sidebar menu and the table data, remains the same.

If the book was borrowed successfully, there will be a success toast message appear.

## Click the Return Button.

The screenshot shows the 'Borrowers List' page of the TPC Library Management System. On the left is a sidebar with navigation links: Dashboard, User Management, Manage Courses, Borrowers (selected), Books, Transactions, Attendance, Library Pass Bulk Print, and User Manual. The main area displays a table with columns: Borrowers ID, Borrower, Book Borrowed, Date Borrowed, Date Returned, Issued By, Returned To, Status, and Remarks. A row for borrower ID 2659 (JANEL AUXTERO DAHITO) has a 'Return' button highlighted with a red arrow. Below this table is another table showing two other borrowers: JENIFER LAUGO TORRES and JENIFER LAUGO TORRES.

After clicking the return button, there will be a Remarks form to fill up if needed. Click the 'Submit' button to return the book.

The screenshot shows the 'Return Book' modal dialog box overlaid on the Borrowers List page. The dialog has fields for 'Add Remarks' (with a text input 'Enter remarks...') and a checkbox 'Damaged'. A red arrow points to the 'Submit' button at the bottom right of the dialog. The background Borrowers List table remains visible.

If the book was returned successfully, there will be a success toast message appear.

## Return Book List Search

If you want to search a student and instructor who returned a book, just click the ‘Search Bar’ in the upper right side.

The screenshot shows a web-based library management system. On the left is a sidebar menu with options like Dashboard, User Management, Manage Courses, Borrowers, Books, Transactions, Attendance, Library Pass Bulk Print, and User Manual. The main content area is titled 'Return Book List' under 'Students'. It features a table with columns: Student ID, Borrower, Book Borrowed, Date Borrowed, Date Returned, Issued By, Returned To, Status, and Remarks. A red arrow points to a search bar at the top right of the table header. Below the table, there's a footer with links for Excel, PDF, and Print.

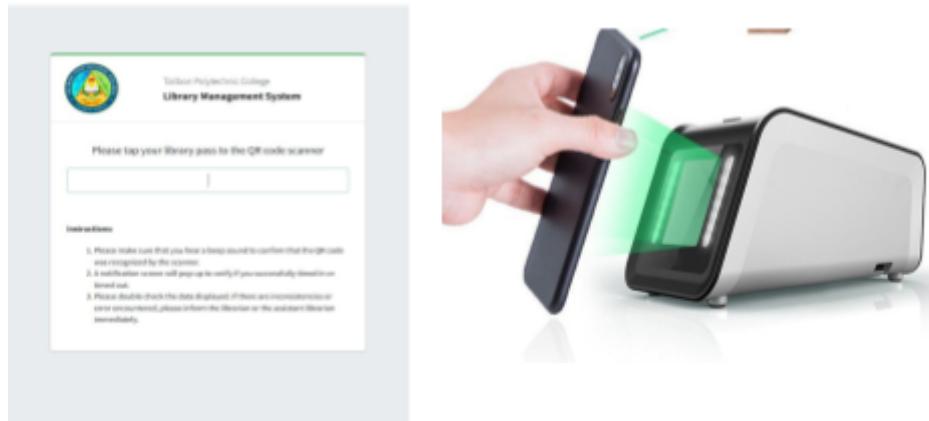

## Attendance Module

This is where the student Tap their QR Code in the QR Code Scanner and this is also where you will manage all the records of attendance.

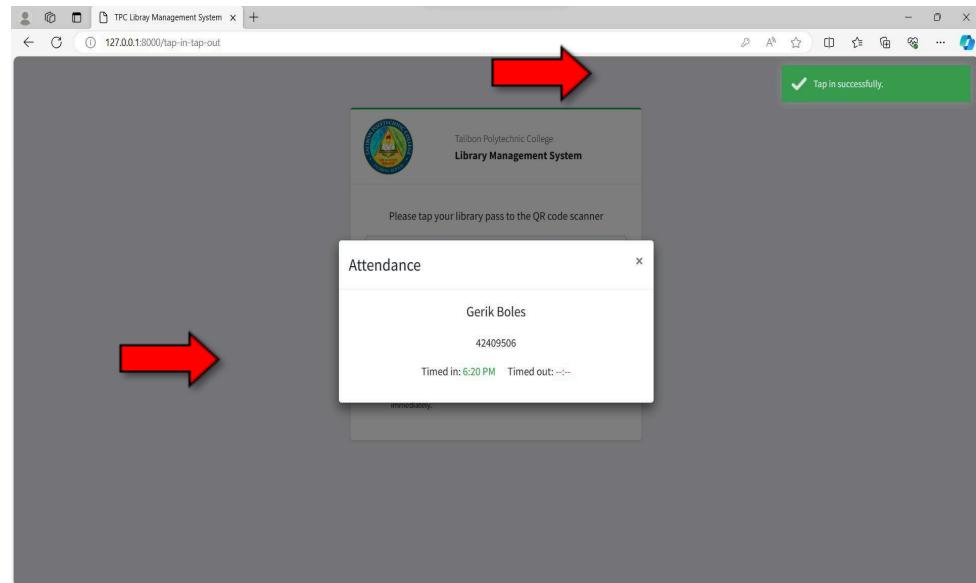

The screenshot shows the 'Attendance' module. The sidebar menu includes Attendance, Tap-in/Tap-out, View History, and other options. The main dashboard displays four key statistics: 150 Books, 875 Students, 0 Borrowers, and 1 Instructors. It also features two charts: 'Most Borrowed Book' (a bar chart showing books like Total Quality Management, Advertising and Promotion, Management Accounting) and 'Months with Most Borrowing Activity' (a line chart showing activity levels over time). A red arrow points to the 'Attendance' option in the sidebar.

## Tap-in-Tap-out

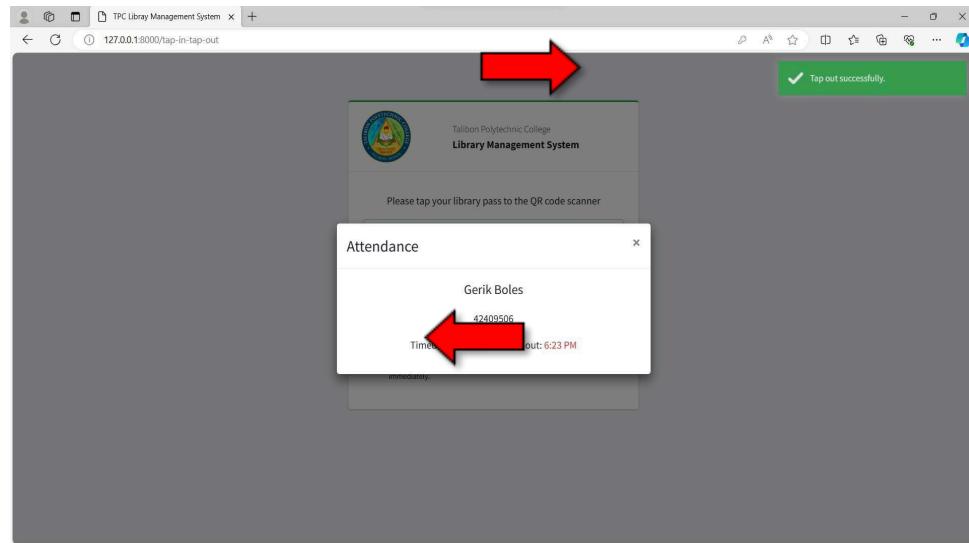

The student and instructor entering the library can tap their respective unique QR Codes on the QR Code Scanner, eliminating the need to manually write their names in the library attendance sheet.

After tapping, their student ID number will appear in the text box along with the time of their check-in to the library, accompanied by a success toast message.

If the student or instructor wishes to check out, the system will display both the check-in time and the check-out time, followed by a success toast message.
